

Dent Music & Beer Festival

Grant application form

Applications for grants can be made either by email (info@dentmusicandbeer.com) or in writing to the following address:

Mr Andrew McClurg (Secretary)
8 Ghyll Side
Dent
SEDBERGH
Cumbria
LA10 5QD

Please include the following details on the grant application:

1. Name of organisation
2. Contact person at the organisation, along with their contact details
3. Aim(s) of the organisation, details of the organisation's connection to Dentdale, and (if appropriate) a copy of the constitution of the organisation
4. A copy of the latest annual accounts, and a recent bank statement
5. Size of the grant the organisation wishes to apply for
6. Details of the project(s) the organisation is undertaking that a grant would be used to fund, including details of how the project(s) will benefit the local community
7. Is the grant application for the total amount required to fund the above project(s)? (i.e. will the organisation be making a contribution to the project, in cash or in kind). If a successful grant application would represent a partial contribution towards a project, please include details of how the remainder of the funds will be raised (e.g. grants from other bodies, fundraising events, use of existing funds, etc.)

Closing date for applications is 14th February 2020. Applications received after this date will not be considered for grant awards in 2020. The names of the group(s) whose grant applications have been successful will be announced at the Dentdale Music & Beer Festival AGM in April.

Successful applicants will be asked to provide evidence (photographs, etc.) to the Festival committee of the grant award being utilised, to aid the committee in promoting the community focus of the Festival.

Dent Music & Beer Festival is organised and run entirely by volunteers on a not-for-profit basis. Although we have sadly had to postpone the 2020 Festival, we hope to return stronger than ever in June 2021. The Festival committee kindly asks that all grant applicants consider whether they would be able to provide volunteer assistance to us during the next Festival weekend (e.g. covering bar shifts, assisting with stewarding/waste management, etc.), to help ensure the continued success of this community event.
